COMMUNITY DEVELOPMENT AWARD 2012

Orientation

The aim of the award is to identify, encourage and promote good practice and management in the development of a community based project. The evaluation will be based on the innovative use of human resources, skills training, education, management and the sustainability of the development.

NAME OF NOMINEE:

(Name of community development in full)

Nominations should cover the following:

1. Describe the *significant* contribution of the project agency concerning the management of the project.
2. Describe the type and nature of partnerships developed, the consultation process and the success of these in meeting the objectives of the project.
3. Were there any innovative approaches or technologies adopted with respect to the provision, maintenance or management of the development of the community? Describe in detail.
4. How were resources deployed and managed to achieve success (e.g. financial, material or human resources).
5. How sustainable is the project? What special measures have been taken in this regard?
6. How replicable is the project?
7. Who was the target market of the project?
8. Describe the key success of the project.
9. Provide a 100-150 word motivation why the Project should be considered for an award.
